La collezione di piantane e colonne Units esprime il concetto di forma con funzione e di lusso con linearità. Elementi d'arredo che caratterizzano lo spazio con soluzioni esclusive ma universali dove l'accessorio, spesso oggi nascosto, torna ad essere assoluto protagonista della stanza da bagno.

The Units collection of wall and standing columns is the expression of form and functionality in a rich but linear way. Furnishing elements mark out the space with exclusive but at the same time universal solutions, where the bathroom accessories are not hidden any more and represent the leading element in bathroom decoration and furnishing.
